AERODYNAMIC FAIRING EDGE TOPKIT®

Cutting Your Costs, Fueling Your Profits

TRANSTEX® is the leader in the development and manufacturing of aerodynamic solutions. The EDGE TopKit® is available for dry vans, reefers and straight trucks with swing or rollup doors. It is equipped with a 10 year limited industry-leading warranty that ensures it is as tough as your trailer. The EDGE TopKit® is EPA SmartWay® Verified and CARB Compliant.

THE EDGE ADVANTAGE

- No driver interaction
- Designed for quick and easy installation
- Designed to withstand all weather conditions
- Made in the U.S.A.
- Simple design
 - ✓ Less parts, low maintenance and no downtime
 - ✓ Intermodal compatible
